## CLUB RECORDS

It has been decided to establish records as follows:-

Indoor Rounds - Gents, Ladies and Juniors - Portsmouth.

Outdoor Rounds -

Gents - FITA, Long National, St. George  
Ladies - FITA, National, Albion  
Juniors - Short Metric, Short National, Short Windsor.

Results in any shoot under SAA rules will be eligible i.e. club, open, invitation and other SAA club events, including practice Rounds.

The <sup>14</sup> outdoor records are approved:

Gents Portsmouth A Garrod & C Farquhar  
559 Meadowbank 1983  
Ladies Portsmouth M Duncan  
408 Lasswade 1982  
Junior Portsmouth D King  
450 Lasswade 1982

ARROW FINISH TO THE INDOOR SEASON

The last two events of the winter underlined the steadily improving standards at Lasswade:-

The Dalmore Archers Match on 26th March resulted in an overwhelming Lasswade win, teams consisting of 9 seniors and two juniors. Best junior, D. King

Top five scores:	A Garrod	553
(Portsmouth Round)	D Sangster	550
	G King	548
	J Gorrie	541
	C Mathieson	514
	<u>TOTAL</u>	<u>2706</u>

Only a few Scottish Clubs can currently be this team standard regularly. These are Bell Monklands (Coatbridge), Falkirk, Laurieston Castle (Edinburgh) and Edinburgh University. (Based on an analysis of "British Archer" reports)

If this can be maintained, or improved, next winter, our entry into the leagues should be an effective one indeed.

The Lochside Bowmen Shoot on 27th March provided the Club with its first three awards of 1983. Four members took part, Colin Mathieson winning the novice with 441 and Tony Garrod being third overall, and also best 3rd class archer, with 515. Winning score 527. Other results; Colin Farquhar 478, A McCraw 401. (Round - Double FITA I).
