

LASSWADE ARCHERY CLUB NEWSLETTER.

Nov- DEC 1983.

THE AGM

The turnout at the meeting was disappointing. The Committee can only assume that they are doing a wonderful job, since no one has any criticism to make.

A copy of the Minutes is attached. The new Constitution is available on request to the Honorary Secretary.

WINTER PORTSMOUTH LEAGUE

We had a full turnout of 5 teams at the November date, Tony Garrod's team taking a lead, meantime. The second shoot has been postponed to December 11th.

BRITISH ARCHER POSTAL LEAGUE

Lasswade beat Basingstoke by some 70 points in the first match. A good start! Let's keep it up and win our division.

INFORMATION PORTSMOUTH

Our first big event was a great success and many visitors made favourable comments. The full result is on the Notice Board. Most of the medals went elsewhere, but Tony Garrod was 2nd Gent with 557, only one point behind Bob Darling (Laurieston).

NEW CLUB RECORD

David King improved his own Junior Portsmouth Record from 450 to 492 at the November Club event. CONGRATULATIONS.
