By now you should have received a copy of the AGM minutes. If you have not, then please see Joan.

TACKLE BOXES

Now that our Wednesday sessions are getting busy, can I remind you that once you have set up could you please place your tackle boxes etc. up both sides of the hall. I was informed last month that somebody had their bow stepped on, although the bow had been placed too near the shooting-line. Luckily, the bow was not damaged. Therefore, if you are not shooting or coaching then please keep yourself and your bow in the waiting area until it is your turn to shoot.

COACHING

At last month's committee meeting it was decided that there will be a once a month session during the rest of the indoor season devoted to coaching for the entire evening. The theme for Wednesday 12th February will cover shooting and other related problems. The session is open to anybody and our coaches will be available on the night unless they have other commitments. The next session on Wednesday 12th March will cover equipment maintenance.

ANNOUNCEMENTS

I am still not entirely happy with some of you when I am trying to make announcements. Therefore, can you please gather round so I do not have to shout. Remember, some of you are the first to moan if you have not heard everything!

CHRISTMAS ARCHERY QUIZ

Not suprisingly, none of you bothered to send your grids back to me which were attached to all copies of Newsletter 12. The Severns gift voucher will therefore be donated as a raffle prize for our FITA at the end of March. The runner-up prize which was to have been a copy of Athol's book on moths could not be presented anyway due to technical problems (the moths got to it first!). I purchased a substitute prize but it has now been eaten by me, not the moths!

S.A.A. EASTERN AREA CHAMPIONSHIPS

As you will no doubt be aware, the above shoot was not held last month as planned. (Members who entered will be given a refund). After discussing the matter with members of the Eastern Area Committee I have agreed that the Eastern Area shoot can be incorporated into our Indoor Fita next month.
