THE NEWSLETTER OF LASSWADE ARCHERY CLUB

ISSUE 59

NOVEMBER 2000

Dear Members,

Due to the hiatus between the outdoor and the new indoor season, there are no tournaments to report on, but quite a bit of club news with some individual achievements by a few members, and some leg pulling of others...

CLUB NEWS

GNAS/SAA Affiliation Fees 2000/2001

Now that all the fees are in we have as usual lost a few members for various reasons.

I was recently informed that Wattie and Meg Wyse have now hung up their bows for the last time. I hope to speak for all the club, especially those of us who have been members for some time, in thanking Wattie and Meg for all the support they have given the

club in the past 10 years or so, especially Wattie who was very helpful when I started out as a tournament organiser.

In addition to shooting for Lasswade at many tournaments, both Meg and Wattie served on the club committee and on the SAA council as Treasurer and President respectively. All the best for the future.

Publishers Note:

I would also like to take this opportunity to wish Meg and Wattie all the best for the future, like Donald they helped me immensely when I joined the club, and I can't thank Wattie enough for the help he gave me when I was organising shoots. I sincerely hope that their bows are not hung up for good, and that one-day they will come back to the club.

Lasswade Archery Club 21st Annual General Meeting.

All members are requested to attend the AGM on Wednesday 29th November at 7.30pm in the New Lecture Theatre in Lasswade High School. All posts on the committee are available for members to stand for, either in writing to myself or in person on the night.

To get to the Lecture Theatre, go through the main door of the school and then turn hard right at the school office, down the corridor, then down a short flight of steps. The Lecture Theatre is on your left-hand side at the end of the corridor, opposite the library. You are also reminded that under article 22c of the Club Constitution only those members who attend the meeting are entitled to vote.

If any of the current committee members have a written report, then please bring it along on the night, or if you want it circulated at the AGM, then please let me have it by 22/11/00 so I can get photocopies done. Remember.... There will be NO club session that evening.

Club Fees

Yes, it's almost cheque book time again. Unlike the GNAS/SAA fees, club fees must be paid by all members, the only exceptions being, honorary members (Bill C and Derek) Oh! Bill M as well.

Under article 19 of the clubs constitution, all club fees must be paid by no later than 6 weeks after the AGM has been held, which will mean a cut-off date of January 10th 2001. Failing to do so without good reason will mean you will not be permitted to shoot with the club.

Cheques as always, should be made payable to Lasswade Archery Club and given to the club treasurer. At the time of writing, we will have to wait until the AGM to decide what level the fees will be set at.

Club Badges

Just the occasional reminder that I still have a small supply of club badges left. If you want one, then see me. They are £1.00 each.

Tournaments at Lasswade

This is the usual plea for members to help get the range set up for our open Portsmouth round on Sunday 12th November. As the shoot starts early in the

morning, the range has to be set up on Saturday 11th. If you can help, please be at the hall for 8.30 PM.

On the following Saturday (the 18th) Lasswade will be the venue for the Scottish Disabled Championships.

Due to the disabilities of some of the competitors, the organiser, Andy (Oh! God No!) will need some of us to act as scorers, arrow pullers etc. and to help get the range set up. If you can assist, then please be at the hall for 12 noon. The shoot should be over by 5pm. Any help for the above tournaments will be greatly appreciated.

Other News

Congratulations to the following members: Bill C, who is also a member of the Wolfstar Field Archery Club, and who this year, was the winner of their annual handicap medal and trophy. Graeme, who is the new holder of our club handicap trophy for 2000/2001. And lastly, Richard, who has now completed and passed his GNAS Archery Leaders Course.

Well done to you all.

Safety (Footwear)

All members are reminded (well one in particular) that when you are shooting, any footwear being worn should completely enclose the feet. This should minimise any risk of injury from a dropped arrow or other sharp objects. OK Elise? HA! HA!

PS: I am sure Bill M would be grateful if when he assists a member with their equipment (well one in particular) that they try not to injure him when using a bow-press.

He is after all one of the clubs most precious assets! Honestly, those Giffnock archers!
