

THE NEWSLETTER OF LASSWADE ARCHERY CLUB

ISSUE No. 62

FEBRUARY 2001

Dear Members,

As with last month, there is not much to report, but here is what we have...

CLUB NEWS

Target Faces

This subject was mentioned last year, and I would like to remind you all that if you are leaving a club session early, and providing no one else is using your target, then it would be appreciated if you could remove your target faces and pins from your boss. As it is the same members who put the target faces on, I do not think it is too much to ask that you comply.

Furthermore, if you have set your gear up, please help to put the faces on. This means you can then start shooting earlier.

Litter

The centre has asked if all of you would please remove any soft drink cans or juice cartons when you leave. There are litterbins in the changing rooms and the hallway, so I do not see this causing any problems for you.

Footwear

I am sure most of you will have noticed that the floor of the games hall has been sanded, sealed and re-marked.

Although we all usually wear the correct footwear, it should be remembered that only soft-soled shoes should be worn.

This will be at least the second time the floor has been done, and the contractors now reckon that it may not be possible to

sand the floor again. So, to preserve the surface of the floor, please wear the correct footwear.

Sorry Joan, you will have to leave your stilettos outside. That goes for your tackety boots as well Elise!

New Member?

Perhaps not, but a warm welcome to Ian Swan, who has returned to the club after an absence of 6 years due to work commitments etc. If you don't know who Ian is, then look for a mature gentleman whose quiver is plastered with his collection of badges and awards.

Indoor Club

Championships – Saturday 10th March 2001

This year's event will be held on the above date. Can you please be ready to shoot by 6.45 PM. As usual, the round to be shot will be a Portsmouth, and no target fee will be payable.

As in previous years, I would like to make up a target list, so I will be asking all of you nearer the time if you will be shooting. After the shoot, we will hold the presentation, and

refreshments will be available if possible. As nobody bothered to respond to the competition for the Quick's Archery voucher, it will be awarded on the night itself. To that end, all members who attend will be given a raffle ticket, and the first one drawn will win the voucher. Would the following please return their trophies from last year: -

LADIES: - Tina

GENTS: - Bill C.

JUNIORS: - Barry

COMPOUND: - Billy

TOURNAMENTS

SAA Postal League 2000/2001

The latest results have just been received, and we have some good news and not so good news.

Recurve Div. 1 (9 Teams)

Our 'A' team has dropped from 6th to 8th place, but Tina's score of 573 from November remains the highest ladies score to date. Although Ros Bowen of Heriot-Watt Uni. Has shot the same score in December as Tina, Tina's score remains the best due to the fact she has 2 more gold's.

Recurve Div. 2 (9 Teams)

Although we do not have a team in this division, it should be noted that Muriel, shooting for her first club Laureston, shot a score of

572 in December to set the highest ladies score, which is also the best to date.

Recurve Div. 4 (8 Teams)

After our promising start in November, the 'B' team has dropped to third place, but Auntie Joan's score of 477 was the best ladies score for December and is the best to date.

Compound (One div. Only) (8 Teams)

The compound 'A' team has moved from 3rd to 2nd place, just 24 points behind Shetland. The 'B' team has moved down from 4th to 6th, and our 'C' team continues to prop up the division in 8th place. We have still to achieve a highest individual score as well.

Bill C. / Myself.

PS The result list has been put up on our notice board.
