## LASSWADE ARCHERY CLUB NEWSLETTER

ISSUE 110

FEBRUARY 2

Dear Members,

It has been quite peaceful recently so there is not much to report this month.

### INDOOR CLUB CHAMPIONSHIPS MARCH 19<sup>TH</sup> 2005-02-04

This is to notify you all that our indoor championships will take place next month and more details will follow in the next issue. As I do not know how long 'time wise' to book the hall you will find a form attached which you should fill in and return to me no later than Wednesday 9<sup>th</sup> March (Seniors) and Saturday 12<sup>th</sup> March (Juniors). Once I know how many of you are entering I will be able to work out if the shoot can be done in one or two waves and adjust the time booked for the hall and the presentation afterwards. If the form is not returned to me then it will be assumed that you are not attending.

### THE ARROWHEAD

Chris S. who has taken over as Club Webmaster now puts each edition of "THE ARROWHEAD" on our website. To that end you will find another form attached which should be filled in and returned to me by no later than Wednesday 2<sup>nd</sup> March (Seniors) on Saturday 5<sup>th</sup> March (Juniors). My thinking is that if as many of you as possible use the website this will mean that we do not have to spend so much on hard-copies and postage charges incurred sending hard-copies to members who do not attend on a regular basis. I must stress that you can receive a hard-copy if you so wish so return the form to me. If you don't then I will assume you will use the website version. Our Website address is :-

### LASSWADE OPEN WORCESTER (BRS) SUNDAY 6<sup>TH</sup> MARCH 2005

Our annual Worcester round will take place on the above date and we will need help to get the range set up on Saturday 5<sup>th</sup> at 8.30pm. Help will also be required on the day of the shoot and we will also be grateful for as many donations possible for the raffle.

As this is a British Record Status shoot clothing in plain white and or dark green must be worn and remember to bring your GNAS card as they will be required at the registration table.

For those of you who have not shot this round before or are un-sure of the rules then please read the notice board or speak to Derek or myself, or better still you can practice as I have put a supply of the Worcester faces in the green cabinet

### ARROW PULLERS

Some of our Juniors who entered the Area Championships last month will have shot the straw bosses for the first time and some of them found their arrows difficult to pull out of the straw bosses. This is quite normal as many of them are used to the foam bosses we use at club sessions. So if any junior has not done so then an arrow - puller is a piece of kit they should purchase. Other alternatives would be a piece of inner tyre tubing or a screwy-lewy used to open jam-jar lids etc. This will make the task of withdrawing arrows easier as the straw bosses are still fairly new and therefore quite hard. Furthermore, if any of you progress to using carbon arrows then there is always the remote chance of picking up a carbon splinter in your finger, which is usually a hospital job!

## ROBIN HOODS

On Saturday 29<sup>th</sup> January Ambar shot his first Robin Hood. Luckily, it was one of Jakub's arrows he destroyed! It was then decided to present a certificate to any member who does the same feat.

At a recent club session Ambar was presented with his certificate and another was presented to Frank who shot his second Robin Hood on 10<sup>th</sup> march 2004.

## TOURNAMENT REPORT

Eastern Area Indoor Championships (SRS)  
(600) Lasswade 16<sup>th</sup> January 2005

A good entry this year from Lasswade including 6 juniors some shooting their first major tournament.

Our best achievement was Chris S who is the new indoor gent recurve champion for 2005 with silver medals for Muriel and Calum in their respective groups.

The results were as follows with the overall places in brackets if visiting archer's scores had been included, that is to say non-Eastern Area archers.

## AND FINALLY

An appropriate funny from Jack :-  
ARROW.

When Robin Hood was dying, he raised himself from bed one last time, put one last arrow in his bow and, drawing back the string with the last of his strength, told his Merry Men to bury him wherever the arrow landed. So he was buried on top of the wardrobe!

That's it for this month. DONALD  
Contribution for this issue :-Jack Feeley.
