LASSWADE ARCHERY CLUB NEWSLETTER

ISSUE NO.1245

MAY 2006

Dear Members,

Straight to this month's news.

CLUB NEWS

OUTDOOR SATURDAY SESSIONS

Seven questionnaires were returned and although some members expressed an interest some of them did not want to help set up! At the last Saturday indoor session I asked all the interested parties to see me after the usual announcements had been made. Exactly three members came to see me! Judging by this response and the fact that most of the experienced members are not able or willing to commit then these sessions will not take place.

As I usually have to remind members about 20 times a year, if you are serious about extreme outdoor shooting then our friends at Penicuik shoot on Friday evenings and Sunday mornings

MEMBERS REGISTER

Most of you will be aware that when you arrive at the Club you are now required to sign in. As you no longer pay a target fee by signing in we can get some idea of how many of you are using the facilities.

NEW TROPHY WINNERS

Congratulations to Michael who won our handicap round for the month of April. Jakub is the new holder of the Apple Trophy as he won 2 out of the 3 handicap rounds for 2006, and the Gent's Improver Trophy goes to Ambar.

Once again our Ladies trophy was not awarded due to the fact our Ladies had not made any improvements or had not done enough official tournaments e.g. our Portsmouth, Worcester and Club Championships.

CLUB COMMITTEE MEETING

All committee members and any other members are cordially invited to attend the next meeting on Thursday 25th May at 7.30 pm.

NEW MEMBER

A warm welcome to our latest disciple Arran McCall. With Arran's arrival this means that 11 new members (7 seniors, 4 juniors) have joined during the 2005/06 indoor season although at least 7 established members have been lost as they have not made any attempt to renew their Club fees.

CLUB WEBSITE

At the time of writing our Club website was still down. There has been several problems and we hope to have it up and running as soon as possible. Watch this space.
