ISSUE
NO.204
DECEMBER 2012

Apologies for the delay this month my beloved Club members. Due to a compelling medical problem I was un-able to get this month's edition out on time so my usual Christmas greetings will not appear this year! Anyway, on to the reduced amount of twaddle for this month.....

CLUB NEWS

LASSWADE ARCHERY CLUB - 34TH ANNUAL GENERAL MEETING - WEDNESDAY 28th NOVEMBER 2012

As I was in hospital during the week of the AGM I was not able to attend the meeting which is usually the highlight of my year! No minutes of the meeting have been sent out yet but from what I can gather there were no major decisions made that effect you all in any way. The posts due for re-election this year were for the Secretary, Trophy Officer and Club Webmaster. All 3 posts were retained by Adelle, Myself and Phil in the same order as the posts listed. In addition, our Records Officer, David R has taken over the 2 remaining years of the Equipment Officer's post.

The attendance for the meeting had a low turn-out as usual and was attended by the committee and a few non- committee members but my thanks to Mike who has stepped forward as an Ordinary Member of the committee and to Billy, who as Vice President, chaired the meeting in my absence. However, I do not think he is after my job as he is not as evil as me! (Maniacal Laughter).

AGB AFFILIATION CARDS FOR 2012/2013

I am led to believe that you will all have your AGB cards now. If this is not the case then please see me or contact me if this is not the case.

BEGINNERS' CLASS

Our latest class finished last month and out of a class of 12 we were joined by em, em, all right then, just one! So a warm welcome to my latest follower, Will Titley!

I would also like to thank Derek, Richard, Adelle, Gareth, David R and Joan who made two cameo sessions out of five! It's not to say a few more may join us from the class but nothing has happened so far.

EASTERN AREA INDOOR CHAMPIONSHIPS (SRS) - SUNDAY 13th of JANUARY 2013

It would be appreciated if some of you could stay behind after the Saturday afternoon session on the 12th to help set up the range. Can you also possibly assist in putting things away on the day of the shoot itself especially if you have entered?
