

LASSWADE ARCHERY CLUB NEWSLETTER

2nd November 2018

Club AGM

A reminder that Wednesday 21st November 2018 is the date for the Club's AGM. The Agenda and any additional papers will be sent out in due course, though the posts of Secretary, Webmaster, and Child Protection Officer are up for election this year. The secretary role is vital for all clubs and we can't run without one, so please think about taking it on, or any other post. We also take on ordinary members every year, for those who want to volunteer without a specific role.

Beginners Course

The Club has a beginners course running each Saturday of November from 1-3pm. Please can club members remember not to come into the hall until all pupils and all beginners equipment has been put away. This helps make sure we don't lose track of any equipment.

Scottish Archery AGM

The Scottish Archery Annual General Meeting will take place on Saturday, 24 November at 10.15 am at Dewars Centre, Glover Street, Perth, PH2 OTH

The Agenda for the AGM and the associated paperwork is available on the Events pages of the website here: <http://scottisharchery.org.uk/events/2018-events-calendar>

Lasswade Open UKRS Portsmouth

Our Open Portsmouth shoot will be taking place on Saturday 8th December 2018. This consists of 60 arrows shot at a 60cm face from 20 yards like we shoot at Club session. This is a great competition to start on for anybody who is new to competing!

Entry forms will be available from the notice board for people to enter, and plenty of information sheets will be available for you to take away.

The entry form and details are also on the SAA website, along with all other competitions held throughout Scotland, <http://scottisharchery.org.uk/events>

As always, help with setting up the range and taking it down afterwards is much needed and appreciated. Can members please try to donate a raffle prize, this helps us fill time between the end of the shoot and the prize-giving to allow us to input scores.

Speak to Steph or Mike if you have any questions about the shoot, we hope to see some of you there!
