Thanks to those of you who came along to shoot, and many thanks to Thomas and Judith for cooking all the food on the barbecue.

The mild rain didn't dampen our spirits too much, though it was a tough day at the range for a lot of us!

Photos, taken by Billy, are up on the Club's facebook page already and will be uploaded to the Website shortly.

Club Fees

At the upcoming AGM it is going to be proposed that we change the club fee renewal date from April to September to be inline with affiliation fees. This is to simplify the collecting of fees to only once a year.

Those of you who pay club fees by standing order monthly won't need to change anything, those who pay in a lump sum will be required to pay a half years fee, likely from April 2019-September 2019.

A full proposal will be circulated with the other AGM paperwork and a vote taken at the AGM itself.

Outdoor Handicap - August

This was the final Outdoor handicap round of the year, with a lot of close scores in the middle of the pack, but there was a clear winner at the top.

1 st	Mike	50m	395
2 nd =	Andy	70m	371
2 nd =	Lisa	50m	371
4 th	Eric	50m	369
5 th	Billy	70m	368
6 th	Derek	50m	364
7 th	Bob	30m	362
8 th	John	70m	350
9 th	Joan	50m	343
10 th	Peter	30m	340

It would be good if a club member/helper took this on next year, the committee members have more than enough to do running the club, organising competitions, looking after equipment, beginners courses, coaching, fun shoots plus Area & SAA meetings/events/courses and other various duties.

There has been confusion with different distances, size of face this year, but with all new things it's a learning curve. To try to make things easier for next year ideas are, smaller faces (60cm), only one nominated distance to be shot, with the handicap to be added to best score received. If anyone would like to volunteer to take on the outdoor handicap organisation it would be much appreciated. The indoor handicap rounds will start soon.

Joan.

Lasswade Open UKRS Combined

Our Open Combined shoot will be taking place on Saturday 13th October 2018. This consists of 60 arrows shot at a 60cm face from 25m in the morning, then another 60 arrows shot at 40cm face from 18m in the afternoon, with the scores for the two distances combined to give an overall score.

A club entry form will be placed in the green cabinet indoors for club members to enter, and plenty of information sheets will be available for you to take away. The entry form and details are also on the SAA website, along with all other competitions held throughout Scotland, <http://scottisharchery.org.uk/events>

Speak to Mike or Steph if you have any questions about the shoot, we hope to see some of you there!

Outdoor Inter-club Championships

This year's inter-club championship vs Penicuik will take place on Sunday 16th September 2018 at Penicuik's playing fields. Members should be there for 10am. For those of you who haven't been to Penicuik before, the club shoots at Penicuik High School's Playing Fields, which is on the corner of Bog Road and Carlops Road. Lasswade are currently holders of the Trophy that will be available so we need all hands on deck to keep it with the Club!
