We were joined by George's wife Margaret, and her family at the end of the shoot, and many thanks to Margaret for being our Lady Paramount on the day.

Outdoor Season

Now the clocks have turned back, it's time to head outdoors! You'll have received an email letting you know that from now on, Saturday sessions will be outdoors at Grove Farm at the usual time of 3-5pm. During April we will continue to shoot indoors on Wednesday evenings and then transfer fully outdoors at the start of May.

We have a few fun shoots planned for the season, including the club championships and club challenge, dates of which will be put on the club calendar in due course, keep an eye on the website and facebook page for more info.

We will be running an outdoor handicap again this season, rules etc will be posted in the container for those wishing to take part during the club sessions.
