40th Anniversary WA 18m Shoot

During the normal 3-5pm club session on Saturday 12th, we will be running a WA 18m competition. We'll have an SAA judge present, so things will be a little more formal than usual. For those wishing to shoot, please arrive prompt to make sure we can fit the shoot into the 2 hour session. Awards will be made at the Dinner in the evening.

Committee Update

A little note that John is now our Club Secretary, taking over from Eric, who is no longer able to undertake the role. The committee would like to thank Eric for volunteering for the role when Katie was no longer able to continue. The secretary email address remains unchanged at secretary.lasswadeac@outlook.com

Indoor Shooting

We are back to shooting indoors on both Wednesday night and Saturday afternoons. Now that we're indoors, this is a reminder that before any shooting can commence, the field captain must have signed the checklist (red notebook) which is in the green cabinet. This makes sure that there is nothing behind the white net, that the gate lock is on at the bottom of the divider, and that all stands are safely set up.

Since space at the back of the hall can be a bit hard to come by, can everybody remember to put their kit bags down the sides of the hall (but not over the shooting line) once they are ready to shoot.

Outdoor Frostbite

As in previous years, we will be holding an outdoor frostbite round on the last Saturday of the month throughout the indoor season from 10am-12pm October - March inclusive. This will be weather dependant, but we had some good fortune last year with the conditions.

40th Anniversary Open Combined

Many thanks to those who came and helped set up for the Combined on Friday night, and helped with various tasks throughout the day. A good number of Lasswade archers were taking part, and we had some good results with the Recurve team of Andy, Gareth and Joan coming 2nd, and Mike and Steph coming first in their respective categories. Photos from the day are on the facebook page.

British Police Force Association

Information about the newly resurrected British Police Force Association can be found attached for anybody interested.

Scottish Archery AGM

The Scottish Archery Board wish to advise members that this year's Annual General Meeting will be held at 10.15 am on 23rd November 2019 at the Dewars Centre, Glover Street, Perth, PH2 0TH.

The agenda for the meeting will be issued nearer to the date of the AGM, but attached is info on the position of Director of Digital. Any resolutions to alter the terms of the Articles of Association and Bye Laws should also be considered and sent asap.

Reiver Archery Training Days

Also attached is a flyer and application form for a series of Training Days being run by Reiver Archery, a new archery coaching service based in the South of Scotland. The Training Days are for any archers or coaches who are interested in learning new skills to help their training including periodisation, targeting competitions, and goal setting. They will take place at the start, and middle of each archery season.

For 2019/20 the only cost for the Training Days is a range fee to the host club, all of the materials, and expert tuition are being provided for **free** to help archers learn important skills to help them develop.

All of the details are in the attached flyer and registration form for those interested in taking part.
